

What is P.O.R.T.?

P.O.R.T., the Pediatric Oncology Resource Team at Helen DeVos Children's Hospital, was founded in 1994 by a group of parents who shared the same experience; a child diagnosed with pediatric cancer or blood disorder. The P.O.R.T. program, which is 100% funded by grants and donations, is dedicated to providing resource assistance, respite care, one on one family support and much more to the patients and families on this difficult journey.

With the help of specially trained volunteers, P.O.R.T. is a "safe harbor" for families so that they can focus on one priority; taking care of their child.

Twist Auction

Along with an expanded traditional live auction, we will be debuting an exciting new Twist Auction this year!

Twist Auction Tables will allow you to see first-hand P.O.R.T.'s wide variety of services, and allow you to donate where your heart leads. Visit each of the tables and you will be eligible to enter a drawing for a 43" Samsung Smart TV!

For more information on the Twist Auction format, or for additional information about any part of this event, please feel free to contact:
