Annual Giving Campaign  
April 1 - April 30

## Giving Opportunities

If you would like to direct your gift to support a specific program, consider one of the following areas. See complete list of giving options online at [give.spectrumhealth.org/igive](http://give.spectrumhealth.org/igive).

### Spectrum Health Grand Rapids

- **Cancer Patient Support Services** provides direct patient assistance, supportive and navigation services.
- **Continuing Care Fund** supports patient quality of life programming in nursing and rehabilitation centers, residential and home care settings.
- **Fred and Lena Meijer Heart Center** provides funding for clinical excellence and patient support.
- **Healthier Communities** helps at-risk adults prevent and self-manage chronic diseases, improve children's health and reduce infant mortality.
- **Helen DeVos Children's Hospital Annual Giving Fund** supports more than 20 programs benefiting kids.
- **Hospice and Palliative Care Fund** supports therapies such as art, music and massage designed to enhance quality of life.
- **Hospital School Services** provides academic services either in the hospital schoolroom or bedside at Helen DeVos Children's Hospital.
- **Hypertrophic Cardiomyopathy Program (HCM)** invests in appropriate education, screening, diagnosis and treatment in reducing sudden cardiac death as a result of HCM.
- **K-9 Program** reduces risk and anxiety through positive interactions while adding an extra layer of security.
- **Neuroscience** invests in research to better understand the cause of neurological conditions and provide leading-edge treatment.
- **Pastoral Care** provides a higher level of spiritual and emotional support for all that we serve.
- **Renucci Hospitality House** provides families an affordable home away from home at Butterworth and HDVCH.
- **Signatures Program** a personalized medicine approach enabling our team to provide the best individualized treatment for each child diagnosed with cancer.
- **Women and Infant Services** is focused on helping women live longer and healthier lives.

### Big Rapids and Reed City Hospitals

- **General Fund** supports the greatest needs, such as equipment, programs, services or facility improvements.
- **Patient Assistance Fund** supports our vulnerable patients from outpatient areas, physician practices, cardiac rehab, physical therapy and other areas of both hospitals. This fund helps with medication, transportation and other needs of our patients.

### Close Enough to Care

This program supports employees who experience financial hardship as a result of an unexpected or uncontrollable life event. Your donated PTO hours are converted into cash.

### Gerber Memorial

- **Cancer Center** provides direct patient assistance, supportive services and ways to enhance patient well-being.
- **Family Birth Center** provides direct patient assistance to more than 500 babies born each year, making sure mom, baby and the entire family get off to a great start.
- **Tamarac Fund** supports the financial assistance membership program as well as equipment needs and other programming.

### Ludington Hospital

- **Cancer Center Patient Assistance Fund** is used to support patients in financial hardship.
- **Reach Out and Read Pediatric Literacy Fund** supports early childhood development and literacy by providing every child a new, developmentally appropriate book at every pediatric well-child visit.
- **Win With Wellness** supports a proactive approach to health and wellness education and lifestyle in the community through preventive programming and in area schools.

### Pennock

- **Cancer Patient Assistance Program** helps to alleviate the burden of travel and improve comfort through oncology massage therapy and other related services to cancer patients.
- **Centering Pregnancy** benefits mom and baby, to help improve infant mortality rates, reducing risk of premature birth and provides post-natal patient education.
- **Nursing and Clinical Excellence Scholarships** insure that our local nurses and clinical employees continue to receive specialized training and education needed to provide our patients with the highest quality of care.

### United and Kelsey Hospitals

- **Cancer Patient Assistance** will help alleviate the financial burden for cancer patients in need to help with transportation, medication and cancer treatment.
- **Lakeview Youth Clinic** is a school-linked health center, providing comprehensive services for adolescents regardless of their family's ability to pay. The clinic helps with routine medical care, mental and behavioral health, substance abuse treatment, life skills and basic need kits.
- **Maternal Infant Health Program** provides professional in-home visits to at-risk pregnant women and infants in Montcalm County who have Medicaid insurance, giving education and connection to community resources, with the ultimate goal of preventing infant death.

### Zeeland Community Hospital

- **Building a Better Future Fund** expanding cancer care and services.
- **General Fund** supports the greatest needs, such as equipment, programs, services or facility improvements as identified on the 2018 wish list.
- **Scholarships** support ongoing education and professional development opportunities for staff.
